

GreedyGame Frontend Assessment

Select dates within a specific range of 1-Jun-2021 to 31-Jun-2021

By default a period between 1-Jun and 30-Jun has been selected

Table containing values as mentioned in the Assignment

Enter start date for the report

Enter End date for the report

[Click here to generate tables](#)

Click on these buttons to show/hide a column present in the table

☐ Toggle App ID Visibility ☐ Toggle App Name Visibility ☐ Toggle Date Visibility ☐ Toggle Requests Visibility ☐ Toggle Responses Visibility ☐ Toggle Impressions Visibility ☐ Toggle Clicks ☐ Toggle Revenue ☐ Toggle FillRate Visibility ☐ Toggle CTR Visibility

Click on the heading of the table,for instance -"app_id" to sort by app_id

App ID	App Name	Date	Requests	Responses	Impressions	Clicks	Revenue	Fill Rate	CTR
--------	----------	------	----------	-----------	-------------	--------	---------	-----------	-----

GreedyGameAsses...zip [Show all](#)

Initial Load of page

On selecting dates and hitting the “click here to generate tables button “ a Fetch API is called at the endpoint to retrieve all reports by date and to obtain all the apps, now these two array of objects are merged into order to make it into a single table using the app_id as the key.
